

Quote of the month

„In the last half of the year the wages for a practical truck lessons rose by almost 7.7 %. However, the price for a truck driving license rose less, by 4.6 %. I'm curious to see to what extent the future driving license prices will be influenced by the rising labor costs for driving schools in general.“ **Jörg-Michael Satz** President of MOVING Road Safety Association International e. V.

	Wage for a practical truck driving lesson second half-year 2018 (in Euro)	Price of a truck driving license in the second half-year 2018 (in Euro)
