

Quote of the month

„The number of driving instructors in Germany is rising again: In 2020, there were 195 more driving instructors than the year before. This represents an increase of 0.44%. Despite the positive trend, the average age increased by 0.3% to 54.1 years.“

Jörg-Michael Satz, President of MOVING International Road Safety Association e. V.

Ratio of new driving instructor licenses issued to total number of female driving instructors by age group in DE 2020
