

Quote of the month

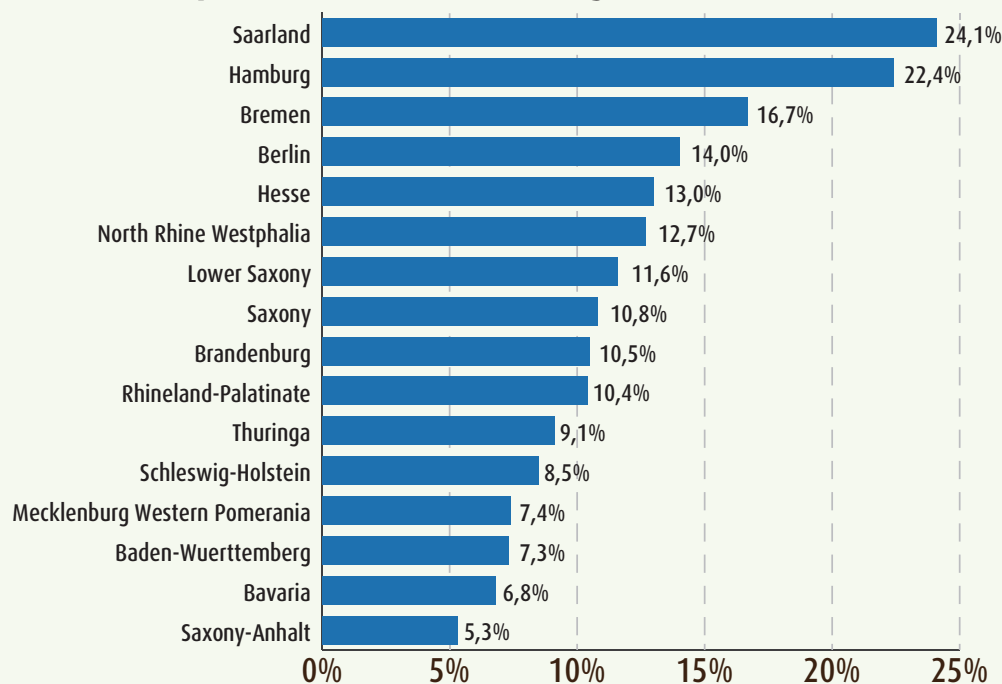

„Nationwide, the number of female driving instructors increased by 458 to 4,804 from 2018 to 2020. This represents an average increase of 10.5%. The proportion of female driving instructors in Saarland increased by 22.4% to 67, while the increase in Saxony-Anhalt was only 5.3%. This is a positive development that will hopefully increase in the coming years.“

Jörg-Michael Satz, President of MOVING International Road Safety Association e. V.
