

## Quote of the month

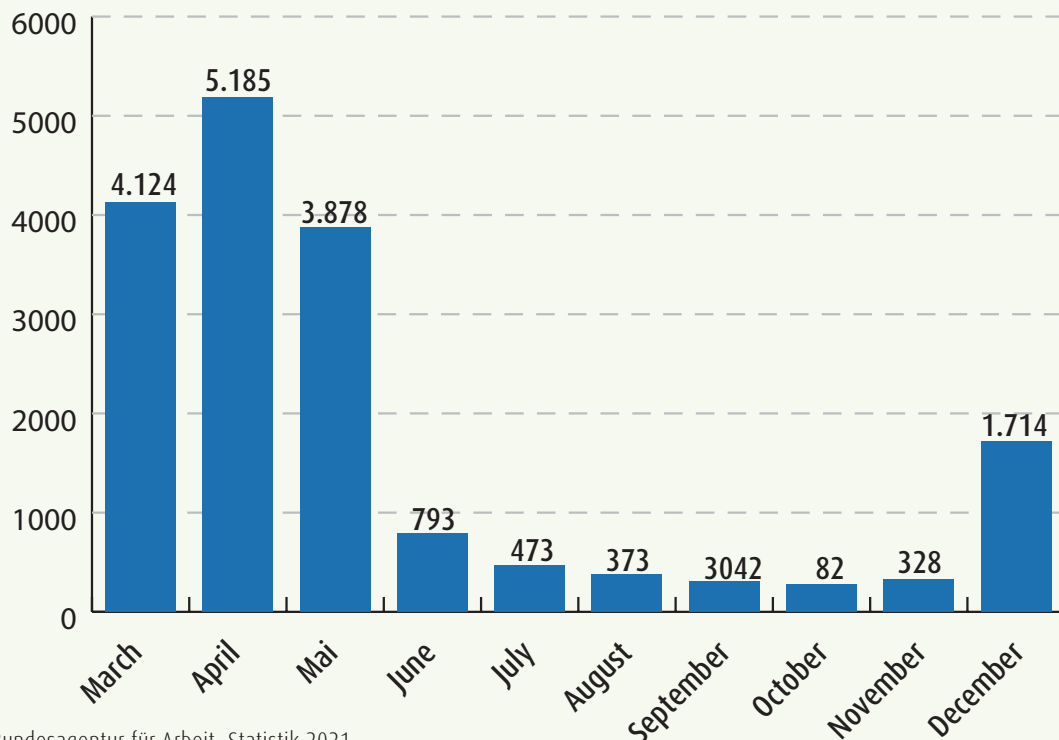

„According to our surveys, the short-time allowance was or is the most most used state support measure in times of the Corona of the Corona pandemic. In spring 2020, almost 50% of all driving schools\* applied for and received short-time allowance.“

Jörg-Michael Satz, President of MOVING International Road Safety Association e. V.

## Number of short-time workers in driving schools in 2020:

March	April	Mai	June	July	August	September	October	November	December
11.190	15.191	10.620	1.700	1.022	834	740	692	805	4.489

## Realised short-time work - Number of driving schools in 2020:

Source: Bundesagentur für Arbeit, Statistik 2021

\*According to VAT statistics, there were 10,748 driving and flying schools in Germany in 2019.

We assume the number of driving schools has not changed significantly and the small share of flight schools is negligible.
