

## Quote of the month

„Between 2019 and 2024, the median salary of driving and flight instructors increased significantly. Men saw a rise of 29%, while women experienced an even greater increase of 34%. Nevertheless, the income gap remained at €365 in 2024. Although the pay gap has slightly narrowed, it is still noticeable.“

**Jörg-Michael Satz**, President MOVING International Road Safety Association e. V.
